

Sri Nanak Jhira Saheb Foundation's

GURU NANAK FIRST GRADE COLLEGE, BIDAR

(Affiliated to Gulbarga University, Kalaburagi)

Teachers Colony, Manhalli Road, Tq & Dist. Bidar - 585403 (Karnataka)

Ph : 08482-235060, 234044 & Website : www.gnfgc.ac.in

7.2 Best Practices

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1 Best Practice: Digitalization of all laboratories.

Title: Digitalization of all laboratories

Objective: To make workflow more efficient to stream line the day to day operations digitally to reduce the paperwork. The main aim of Digitalization of all laboratories is to create awareness among the Students the uses of Barcode technology.

Context: . Laboratory digitalization cannot be concisely defined but can be loosely explained as the adoption of digital infrastructure that aims to work more efficiently, collaboratively, and transparently. The first example of digitalization is moving from paper-based, analog data recording to digital records. Paper records are vulnerable to damage and the integrity of the data is challengeable; digital records prevent this.

The Practice: The digital transformation of all the labs has significantly improved the utilization of resources by the students. All labs are enabled with different barcodes, if any student scans the barcode he/she can access to all lab programs, details of different species, plants and chemical information.

Evidence of Success: Now All Laboratories are Digitalized.

Problems encountered and resources required: No

2 Best Practices: Lend a hand ,Give a can!

Title: Lend a hand ,Give a can!

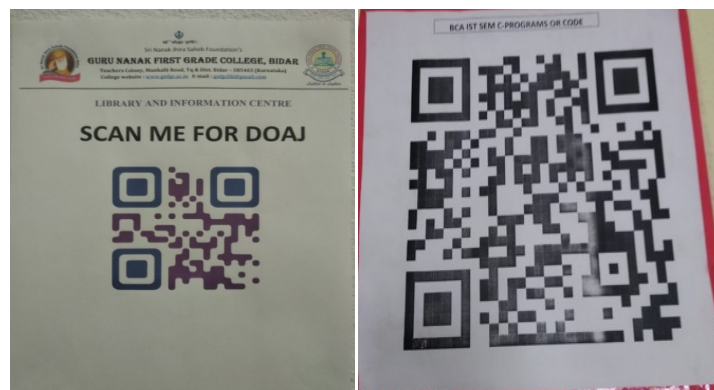

Objective: To help to counter Hunger and to enable a link of communication and interactions among donors and the needy.

Context: Food is one of the basic necessities of humans .It is important as it nourishes the human body. Food aids promote increased levels of prosperity and boost health happiness, co operations, good will and strong communities’ .This practice address the needs of the needy.

Practice: We make a living by what we get, but we make a life by what we give with this idea Guru Nanak First Grade College, Bidar started the collection of food grains & donating of it on monthly basis to the needy people of old age homes and orphanages, who lack the basic necessity of life .These collections are vital for those who are unable to provide food for themselves .The grains collected are Rice, Wheat and Toor Dal. The staff and the students have been contributing for the noble cause led by IQAC

Evidence of Success: Increased quantity of grains collected.

Problems encountered and resources required: No.

Bar code of different lab assignments

Collected food grains and Donated to Gurudwara langar seva and old age home ,Bidar.
